

## THE FOLLOWING REGISTRATION TERMS AND CONDITIONS APPLY

### REGARDING WEBCAST REGISTRATIONS

1. Individuals or groups may register for webcast access. Organizations may register for group access without presenting specific registrant names. In such instances the registering organization will be presented a series of user names and passwords to distribute to participants.
2. Each registrant will receive a user name and password for access. Registrants will be able to change their user names and passwords and manage their accounts.
3. Webcast registrants will receive six (6) months access from date of issuance of user name and password.
4. Only one user (per user name and password) may view or access archived conference. **It is not permissible to share user name and password with third parties.** Should webcast registrants choose to access post conference content via Flash Drive, this individual use limitation applies.
5. User name and password use will be monitored to assure compliance.
6. Each webcast registration is subject to a "bandwidth" or capacity use cap of 5 gb per user per month. When this capacity use cap is hit, the registration lapses. Said registration will be made available at the start of the next month so long as the registration period has not lapsed and is subject to the same capacity cap.
7. For webcast registrants there will be no refunds for cancellations. Please call the Conference Office at 800-503-6494 or 206-452-2025 for further information.
